

**Pi Lambda Phi Educational Foundation
Statement of Expectations
Volunteer Annual Fund Developers**

- 1. Commit to the mission and goals of Pi Lambda Phi Fraternity and Educational Foundation.**
- 2. Engage alumni.**

Contact alumni and connect them to the objectives of Pi Lambda Phi Fraternity and Foundation. The ability to discuss how donations and support will better the fraternity. In addition, alumni can provide insight into opportunities, Candidates should be able to track and share this information with Foundation leadership. Volunteers should be willing to use email, letters, social media, and phone, as appropriate, to connect with alumni.
- 3. Reporting and timeliness.**

Volunteers need to be detail oriented and track their progress in a timely manner. Campaigns require honoring time commitments and coordinating with team leads. Provide written status updates. Acknowledge alumni contributions.
- 4. Make a meaningful personal contribution to the Pi Lambda Phi Educational Foundation.**

Every volunteer is expected to demonstrate leadership by making a personal financial contribution on a yearly basis.
- 5. Maintain sensitive information.**

Protect personal and financial information treating it with the utmost care.
